St. GILES CATHEDRAL, Edinburgh

LL8867

By Appointment.

TUCK'S POST CARD

CARTE POSTALE — POSTKARTE

Ft. Giles' Cathedral ranks as one of the oldest buildings in Edinburgh. The date of its foundation is unknown, but records show that the present edifice was founded by Alexander I. This church was practically destroyed in 1385 by Richard II. of England, and the building as now standing, erected. The church is also famous for its connection with John Knox.
